<b>Sociology</b>	A Level	AQA	2 years	Grade 5 in English Language or English Literature and Grade 4 in Maths.
<b>Spanish</b>	A Level	AQA	2 years	Grade 5 in GCSE Spanish

#### Important notes:

These are the courses we plan to run with their entrance criteria. This information may be subject to change.

- Some courses may not run if there are very low numbers.
- There will be 9 lessons in most subjects spread over the 2 years. There will either be 5 lessons in Year 12 and 4 in Y13 or 4 lessons in Year 12 and 5 in Year 13.
- Most subjects will offer an additional MAP period to intervene with those students needing further support.
- Wednesday afternoons will be kept free for all Year 12 students – allowing for a range of enrichment activities: sport, Duke of Edinburgh's Gold Award, support sessions, masterclasses, events at the universities, working with younger students, volunteering etc.
- If courses run with very few students the number of teaching periods may be reduced by one period – to a minimum of 4 periods.
- BTEC courses will have 40% examined content and 60% assignments.
- There will only be ONE group of **BTEC Applied Science**, **BTEC Engineering** and **BTEC Business** – so numbers will be capped. Places will be allocated and offers made with a waiting list if necessary. The criteria used will be 'aptitude for the course and potential to succeed'.
- There are a range of independent study areas in school, including an extensive library with librarian support. Most areas have IT provision. There is a **textbook for every subject** available on a loan scheme.
- You will find full details of each course in our **prospectus**. See our website: <https://www.kes.sheffield.sch.uk/sixth-form>
- If you have questions about admissions see <https://www.sheffieldprogress.co.uk/> or ask us via e-mail <mailto:p16admissions@kes.sheffield.sch.uk>
